Product information

A thoughtfully designed high visibility trouser made from durable Kingsmill™ fabric and Texpel stain-resistant for maximum working performance. Precision engineered with anti-scratch and metal-free trims to give total peace of mind when working. With adjustable leg length for added convenience, the Service Trouser is the smart choice for the modern workplace.

High-Visibility Workwear

Combining safety and style, fabrics within our hi-vis workwear ranges are made from a premium durable polyester/cotton. These fabrics offer variations in weight and composition. The bright fluorescent capabilities of our fabrics combined with the garments retroreflective stripes offers the highest possible visibility in poor light or adverse weather conditions.

High Visibility

Our extensive range of high visibility clothing meets stringent requirements in both design and construction, to ensure compliance with the latest EN ISO 20471 and ANSI standards. Innovative and technical, our high visibility range is ideal for those who will not compromise on style, comfort, protection and performance.
