PRODUCT SPECIFICATION & TECHNICAL DATA

A753 - Cold 450 PU Waterproof Mechanical Glove

Collection: Mechanic Gloves
Range: HAND PROTECTION
Materials: Polyester, PU Fabric, Elastane, SBR, PE, Cotton
Outer Carton: 48

Product information

Engineered for cold environments, this glove features an internal membrane that creates a waterproof barrier to keep hands dry, while providing insulation and thermal protection for warmth in low temperatures. The textured and reinforced padded palms enhance grip and comfort during extended use, and a reflective label improves visibility in low-light conditions. Machine washable for easy care, this glove is CE certified and Prop 65 compliant.

Mechanic Gloves

Designed to enhance grip for precision work, this collection protects from a broad range of hazards. The gloves are constructed from highly engineered textiles and offer an extensive selection of colors, lining, and size options. This collection is suitable for mechanic applications, general construction, material handling, carpentry and utility work.

HAND PROTECTION

A wide and increasing range of Hand Protection styles is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwests' extensive range of Hand Protection products.
