PRODUCT SPECIFICATION & TECHNICAL DATA

CT46 - CT Impact D18 Nitrile Sandy Glove A4

Collection: Anti-Impact
Range: HAND PROTECTION
Materials: DyUltra™, Nylon, PVC, Elastic, Elastane
Dipping:
Outer Carton: 72

Product information

Introducing our cut A4 18 gauge impact glove, designed to provide unrivalled impact protection. Engineered for low-energy impact situations, it safeguards against potential hazards. With its ANSI A4 cut resistance, this glove offers reliable protection without compromising dexterity. Experience seamless interaction with touchscreen devices, as it offers full compatibility. The Abrasion 6 nitrile foam coating ensures exceptional grip in wet and dry conditions. Redefining comfort, this glove is expertly manufactured without glass and steel fibres, minimising skin irritation.

Anti-Impact

Hand injury is one of the most common and frequent complaints in the workplace. This collection of gloves provides vital protection against impact to the hand from multiple hazards.

HAND PROTECTION

A wide and increasing range of Hand Protection styles is available. In order to help cater to every need. Only the best materials and manufacturing methods are used in the production of Portwests' extensive range of Hand Protection products.
