Product information

HV Extreme Ear Muff helmet mounted is part of our new generation of premium Ear Muffs. Its dual pin adjustable cups offer an optimised fit and a stylish grey and orange design. Excellent attenuation performance provides superior protection against harmful noise. For 30mm universal helmet side slots.

Ear Muffs

Portwest Hearing protection range includes PPE with different level sound attenuation, to be adapted to various working environments giving the correct protection from dangerous noise, without isolating the workers. New models and colors for earmuffs allow a personalized choice. An updated range of earplugs complete our competitive and performing offer.

Hearing Protection

Hearing problems occur when you are exposed to hazardous working conditions without wearing the correct protective equipment.
