Tychem® 6000 garments are strong, durable and lightweight, and they are available in both high-visibility orange and low-visibility gray fabrics, making them a preferred choice for law enforcement, emergency medical services (EMS) technicians and military personnel.

- Storm flap covers zipper which can be sealed by the wearer with adhesive strip to prevent intrusion at zipper
- Elastic opening for tighter fit at wrist
- Elastic opening for tighter fit at ankle
- Meets the U.S. industry requirements for blood (ASTM F1670) and viral penetration (ASTM F1671) protecting against several bloodborne pathogen exposure risks
