Technical Data Sheet

FOAM CARTRIDGE EXTINGUISHER 9 L

Brand / manufacturer	Survitec
Product category	Foam Fire Extinguisher
Product codes	SKU: 766984

Product description

Survitec 9 L foam cartridge extinguisher with high-performance AFFF additive.

9 L.

Key benefits

- Nozzle produces small individual droplets rather than a jet, so current is not conducted: usable on voltage up to 35 kV with adequate training
- Specially blended high-performance AFFF additive for quick, efficient firefighting
- Integrated flow control valve at the hose end
- Polar-solvent version is efficient on e.g. alcohol fires (as listed)
- Higher-than-industry-standard burst pressure for cylinder and hose (manufacturer claim)
- Manufactured from 2 mm thick steel, shot blasted and polyester coated, with an anti-rust safety pin, for long life and low maintenance

Typical applications

- Portable fire protection for the fire classes listed

Specifications

Agent	AFFF foam
Capacity	9 L
Operation	Cartridge
Electrical	Up to 35 kV with adequate training
Item	766984

Read the instructions on the extinguisher label before use. Inspect and service in line with local fire regulations.
