## Product description

**KEEN Utility** men's Roswell Mid soft-toe work boot with fold-down collar. Designed to provide support for lighter-duty jobsite needs, plus comfort and style for everywhere else, this boot's unique fold-down collar makes it one of the most adaptable in our line. The energy-returning KEEN.ReGEN midsole provides supportive cushioning while the breathable canvas upper keeps you cool.

Sizes 7 to 15. Colours: Military Olive/Black Olive.

## Key benefits

- Left and right asymmetrical KEEN.PROTECT soft toes help safeguard against minor impact, but not reinforced with a secondary crush resistance
- Electrical hazard (EH) or Electric Shock Resistant (ESR) footwear provides a secondary source of protection incase accidentally coming into contact with live electrical circuits
- Cleansport NXT Technology for natural odor protection*
- **Electrical Hazard**: Provides a secondary source of protection when outsole accidentally comes in contact with live electrical circuits, helping to reduce the potential of electric shock.

## Typical applications

- Warehouse
- Trucker
- Delivery
- Carpentry
- Landscaping
- Roofing

Prepared by Russmill Safety from publicly available manufacturer information and our product listing. This is not the manufacturer's original publication. For legally required safety data, use the manufacturer's official Safety Data Sheet.

Prepared by Russmill Safety · November 2026

- Work environments: Outdoor/Indoor, Hard, flat walking surfaces, Long periods of standing or walking

## How to use

- Gently brush with a soft, damp sponge to remove loose dirt. Treat stains right away with a gentle cleaner.
