Technical Data Sheet

Marine Safety Sign: Arrow Rotatable to Point Up, Down, Left or Right

Brand / manufacturer	American Nautical
Product category	SIGN
Product codes	SKU: PV4420JJ

Product description

American Nautical marine safety sign: Arrow Rotatable to Point Up, Down, Left or Right.

Key benefits

- Marks safety equipment and facilities on board
- Arrow can be rotated to point in the direction needed

Typical applications

- Marking first aid points, emergency telephones, emergency stops, eye washes and drinking water on board

Specifications

Legend	Arrow Rotatable to Point Up, Down, Left or Right
Item	PV4420JJ

Marine safety signs complement or expand officially designated signage on board. Flag State Authorities and classification societies require many of them to mark safety and life-saving equipment. All first aid points and first aid storage should be marked, as should emergency telephones and emergency stop buttons; chemical carriers and vessels carrying hazardous cargoes should mark emergency showers and eye washes.
