Product description

KEEN Utility men's Coburg 8" waterproof work boot with steel safety toe, American built in Portland, Oregon. With a steel toe safety feature and durable construction, these comfortable work boots get the job done. Waterproof leather and a moisture-wicking lining keep your feet cool and dry. American Built in Portland, OR.

Sizes 7 to 15; widths: Regular, Wide. Colours: Cascade Brown/Brindle.

Key benefits

- AMERICAN BUILT with materials from around the world
- Left and right asymmetrical steel toes
- KEEN.Dry waterproof, breathable membrane
- Heel guard protection from bumps & scrapes
- Tough-tech abrasion resistant fabric

Prepared by Russmill Safety from publicly available manufacturer information and our product listing. This is not the manufacturer's original publication. For legally required safety data, use the manufacturer's official Safety Data Sheet.

Prepared by Russmill Safety · November 2026

- TPU shank for midfoot support
- Lining with hydrophobic/hydrophilic 2-zone comfort technology
- Cleansport NXT™ for natural odor control
- Meets ASTM F1677-96 MARK II non-slip testing standards
- Meets ASTM F2412-11 and F2413-11 M I/75 C/75 EH standards
- **American Built**: Assembled with pride in Portland, Oregon, using the finest materials from around the world.
- **KEEN.DRY**: A proprietary waterproof, breathable membrane that lets vapor out without letting water in.
- **KEEN.GRIP**: Oil and slip resistant outsoles that meet or exceed ASTM F2413-17 SATRA & MARK II F1677-96 non-slip testing standards.
- **Left and Right Asymmetrical Safety Toe**: Uniquely anatomically correct steel, aluminum, & composite toe designs provide a roomier toe box and maximum comfort. Meets ASTM F2412-11 and F2413-11 I/75 and C/75 Standards.
- **Metatomical Footbed Design**: This internal support mechanism is anatomically engineered to provide excellent arch support and cradle the natural contours of the foot.

How to use

- We've carefully selected leather uppers designed to last. Then again, if you're wearing your KEENs daily, they won't always be scuff and dirt-free. To treat day to day wear and tear, especially on lighter color leathers, we recommend using a leather cleaner and conditioner, found at most footwear dealers and/or shoe repair shops.

Specifications
