Technical Data Sheet

PREMIER COMPACT UNIVERSAL SURFACE LIGHT WITH INTEGRATED SENSOR

Brand / manufacturer	Survitec
Product category	LIFEJACKET
Product codes	SKU: 12679

Product Overview

Since the Crewsaver Premier was introduced in July 2010, the lifejacket has led the way in passenger and crew lifejacket safety. Driven by regulation changes for lifejacket accessibility on cruise ships, and customer demand for reduced bulk and improved storage options, Crewsaver has designed the Premier Compact - a 49.2% smaller alternative (by volume) to the original Premier.

The Premier Compact provides the crucial, continued safety and performance features of the previous and delivers improved storage options due to its significantly reduced volume and easy-stack profile. A unique design of the neck opening allows for increased wearer comfort, while durability is assured by the use of tried and tested quality components.

KEY FEATURES

- MED approved
- Minimum of 150N
- Efficient use of storage space at only 17.4 l - 49.2% smaller alternative to the original premier
