Product description

KEEN Utility women's PTC soft-toe oxford work shoe, water resistant and wipe-clean. This low-profile work shoe offers all-day comfort on the job, plus water resistance and wipe-clean convenience. A plush footbed cradles every step, and a non-slip sole helps prevent falls in slick conditions.

Sizes 5 to 11; widths: Regular. Colours: Black.

Key benefits

- Women's specific fit
- TPU stability shank
- KEEN.WET TRAX outsole quickly channels liquids to maximize surface area contact
- 100% non-metallic construction for easily passing through metal detectors in highly-secured areas
- Electrical hazard (EH) or Electric Shock Resistant (ESR) footwear provides a secondary source of protection in case of accidental outsole contact with live electrical circuits
- Non-mutilating upper reduces the chance of marking or scratching surfaces
- Cleansport NXT Technology for natural odor protection*
- **KEEN.CUSH**: What if the inside of your shoe could mold to your feet? KEEN.CUSH is a blend of recycled PU, cork and memory foam that contours to feet and adjusts to give you the cushioning you need throughout your day.

Typical applications

- Trucker
- Light Manufacturing
- Assembly
- Service

Prepared by Russmill Safety from publicly available manufacturer information and our product listing. This is not the manufacturer’s original publication. For legally required safety data, use the manufacturer’s official Safety Data Sheet.

Prepared by Russmill Safety · November 2026

- Work environments: Indoor, Long periods of standing or walking, Dry

How to use

- Gently brush leather with a soft bristle brush or hand towel to remove loose dirt and debris. Tough stains may require a leather cleaner.
